<input type="checkbox"/> Manufacturer's recommended oil & filter change after first 8-hours of operation (Units are shipped with a special light weight break-in oil and should be run under various load conditions, tested & oil change performed)	\$
All additional maintenance or repairs will be subject to standard service rates.	

TERMS: R. Huber Electric, LLC (RHE, LLC) agrees to provide the maintenance services semiannually as described for the period commencing upon payment of the charges set forth above and continuing for the one or two year Term selected by Customer. An invoice will be issued automatically within 45 days of next contract renewal period. Services will not be performed until payment is received in full. This Agreement covers only the routine maintenance services specified. All required parts and additional labor not covered by Manufacturer's warranty will be supplied at additional cost. All work will comply with manufacturer's guidelines and be performed in a professional manner and RHE, LLC agrees to correct any non-conforming services provided hereunder promptly. RHE, LLC disclaims all other warranties, express or implied. Customer agrees that in no event shall RHE, LLC be liable for indirect, consequential, special, exemplary or incidental damages of any kind arising out of this Agreement.

With this agreement you are now considered a *preferred customer* which entitles you to priority service, a 10% labor discount for generator services, and most importantly: *Peace of Mind*. All Maintenance Agreements include labor, travel costs, oil, oil filters, air filters, and spark plugs as required for each unit serviced. Additional repairs that require labor, parts or materials needed to bring the covered unit into operational status will be invoiced separately. Additional repairs performed only when deemed necessary by the attending Service Technician and only with the systems owner's consent.

It is the customer's responsibility to notify RHE, LLC of power outages and duration since generator maintenance intervals are based on generator run time. If not notified, RHE, LLC will service the generator during the normal semiannual scheduled visits as outlined in this agreement.

I accept and agree to the maintenance agreement as detailed.
